

# *Environmental, Community, Safety and Health Policy*

## **AURUMAR (PTY) LTD**

*AuruMar (Pty) Ltd conducts marine exploration for placer minerals globally. This Policy is applicable to AuruMar (Pty) Ltd activities and any entities to which it provides a service.*

Recognising the critical role of the oceans and the importance of implementing sound practices regarding the environment, communities, safety and health, we are committed to managing these areas as an integral part of our business by:

- complying with applicable legislation in our countries of operation and the requirements of our principal shareholders;
- applying the principles of integrated environmental management to avoid, minimise and mitigate significant adverse environmental impacts associated with the Company's activities;
- undertaking health and safety risk assessments and identifying hazards;
- promoting healthy and safe work practices;
- consulting communities where aspects of our operations have a direct bearing on their lives and livelihoods and ensuring that we do not harm or threaten the sustainability of local communities;
- respecting the values, traditions and cultures of local and indigenous communities in which we operate;
- developing and implementing appropriate environmental, community, safety and health programmes;
- preventing pollution through appropriate management of effluents, wastes, harmful substances and emissions;
- planning for responsible stewardship of biodiversity and the sharing of knowledge of the marine environment in which we operate;
- respecting legally designated Protected Areas, key biodiversity areas and not operating within World Heritage Sites;
- promoting efficient use of natural resources through the principles of reduction, recovery, re-use and recycling.
- engaging and co-operating with stakeholders to inform them of the potential risks and benefits that may result from our operations and to seek solutions to issues of concern;
- influencing joint venture partners to follow practices consistent with this policy and ensuring that service providers do so;
- regularly monitoring, auditing and reporting on performance to ensure continual improvement and providing assurance to the Board of Directors.

*This policy is consistent with the policies of the De Beers Family of Companies and AngloGold Ashanti and is freely available.*
